

“Strategic Kid Management”

Wednesday, March 3, 2021—ZOOM Webinar
12 - 1:15 pm CST

This webinar features, Dr. Roselle Busch, assistant specialist in Cooperative Extension at UC-Davis, as she discusses recommended management practices to help control and minimize the spread of disease. She will cover the basics for healthy kids in the first month, going over colostrum management, use of automated feeders, and kid rearing strategies.

- No fee to attend, but, registration required by March 2:
