

The Maryland  
Agricultural Education  
Foundation's  
**Kids in the  
Garden  
Grant 2021**

## How it works!

**Complete the online application form at [maefonline.com](http://maefonline.com) under the grants page and submit by February 28th, 2021!**

**After approval, build your student kits using MAEF Supplies & Tips document to maximize success!**

**Send them to your virtual students and connect to MAEF learning resources for hands-on ag instruction!**

## What's the grant for?

MAEF is providing grants of up to \$500 for K-12 teachers and community groups to create and distribute gardening kits. Whether you're virtual, at-home or hybrid, we want to help you get your students' hands dirty this spring while supporting their exploration of horticulture science, the natural world and careers in ag!

**To apply, please visit:
