2018 Soil Health & Cover Crop Forum

March 13th, 2018

9:00AM to 3:30PM

Manitowoc Co. Soil and Water Conservation Department, in partnership with: Manitowoc Co. UW-Extension, USDA Natural Resource Conservation Service, WI Farmers Union, InDepth Agronomy, and Soaring Eagle Dairy, LLP, will be hosting the **2018 Soil Health and Cover Crop Forum on Tuesday, March 13th** from 9:00AM to 3:30PM at Silver Valley Supper Club in Manitowoc.

Attend this event to learn how you can start using cover crops in your crop rotation to help reduce soil erosion and protect the environment, become familiar with some equipment that can be used for cover crops, and listen to farmers speak about real on-farm experiences using cover crops.

Registration required.

If you would like to be put on the email list for event updates and registration information, please contact Amanda Cordova at amandacordova@co.manitowoc.wi.us. Type "add me to Soil Health Group" in the subject line or call the Soil and Water Conservation Dept. at 920-683-4183.
