

Asparagus Production Twilight Meeting

Monday, April 16, 2018 at 6 p.m.
Jackson County Extension Office,
402 Ava Rd. Murphysboro, IL 62966

Join us as we spend the evening discussing asparagus production from planting through marketing. Tour the asparagus variety trial during harvest with 12 different varieties.

Topics:

- Establishment
- Pest/Nutrient Management
- Variety Selection
- Harvesting
- And more!

This will be an in-field program, held rain or shine!
The cost of this program is \$5/person. To register please visit <http://go.illinois.edu/asparagusproduction> or by calling 618-687-1727. For any questions contact Maggie Rose at the number listed or at mro@illinois.edu.
