

# Trends of Farmland Value & Rental Rates in Illinois

**October 26, 2018, from 9:30 a.m. to 12:00 p.m.**

**Kankakee County Extension Office, 1650 Commerce Dr., Bourbonnais, IL**

Both farmland values and rental rates have seen significant increases over recent years. Both appear to be holding steady for now. What are the prospects that this situation might change? What impact do agricultural commodity prices have on land rents and values?

You are invited as landowners and farm operators or managers to a presentation on farmland informational event to be presented by guest speaker **Dale Lattz** (Vice-President, Piatt County Farm Bureau and part-time staff at U of IL Ag-Economics Department). Presentations will cover future projections of farm leases, farm prices, and the variables that landowners should consider when determining fair rents for operators. Your questions/concerns will be addressed as best as possible.

Cost for the event is \$10 per person. Register to reserve your spot by October 24, 2018 by visiting this link: <https://web.extension.illinois.edu/registration/?RegistrationID=19280>

If you need more information, call 815-933-8337 or email James Theuri at [jtheu50@illinois.edu](mailto:jtheu50@illinois.edu).

*A minimum number of participants are needed to hold the event.*

*If you need a reasonable accommodation to participate in this program, please contact the Kankakee County Office at least two weeks prior to the event.*

University of Illinois • US Department of Agriculture • Local Extension Council Cooperating

*University of Illinois Extension offers practical, research-based programs that help people improve their lives and address critical community issues involving youth, families, economics, health and natural resources. University of Illinois Extension provides equal opportunities in programs and employment.*
