

CONSERVATION CROPPING 2019 SEMINARS

Managing your inputs for healthy soils...

- ✓ Soil Health
- ✓ Cover Crops
- ✓ 1-Day Seminars

It is our sixth year talking to & learning from innovative farmers who use science and stewardship and courage to create sustainable operations. This year, two stellar speakers will motivate and amaze you with their knowledge and evidence of success. Don't miss author David Montgomery and "Soil Guy" Ray Archuleta as well as soil health success stories from your own area.

Listen, learn, and talk to people who KNOW it will work on your land. The time to wait is over. It's time to take action! Join us - join the movement. Bring YOUR soil back to life!

REGISTER ONLINE and reserve your seat at one of these events. Call 217-356-3536 Extension #101 or visit www.ccsxcd.com and pay a \$20 registration fee by check or credit card.
